Academic Integrity at Mohawk College

Academic Integrity welcomes you to Mohawk College!

Academic integrity has a very special place at Mohawk College. It is an important aspect of academic life for the entire college community. We need to earn our academic advantages. Therefore, in earning academic advantages, we have to adhere to the six values of academic integrity: honesty, trust, fairness, respect, responsibility (International Centre for Academic Integrity, 2014).

It is recommended that students familiarize themselves with the best ways of staying on top of their studies. If students need help with their studies, they are recommended to contact the resources available to them in the college. Proper citation of the resources, contribution as instructed in the group assignments, and doing the individual assignments individually are among the responsibilities of students for gaining academic credentials. Studying carefully for the exams and answering exam questions with their knowledge are other responsibilities students must adhere to at Mohawk College. Please remember that seeking help from available authorized resources to help you succeed at Mohawk College is encouraged.

For study and writing support, you can contact the Learning Support Centre at one of the three main campuses:

Website: mohawkcollege.ca/lsc  
Phone: 905-575-1212, ext. 3279  
Email: lsc@mohawkcollege.ca

To get help with finding resources for your studies, you can visit or contact the Library through:

Website: mohawkcollege.ca/mohawk-library  
Phone: 905-575-2077
